For security reasons and to allow conflict-of-interest checking, anonymous email domains are discouraged. Please use a company, university, ACM or IEEE email address. If that is not possible, contact EDAS help.

Instructions for setting up the password were mailed to lorem.ip@email.co. Once you receive it and create your password, you can login.

3. SET UP YOUR PASSWORD

Set up your initial password by clicking the link on your email. Ensure you check your inbox or spam mail for the email from the EDAS system. If you do not receive the email, feel free to contact us or the EDAS Helpdesk. Please note that we use third-party software, so you cannot request it at the end of time.
